

Ref No: MIET/ADM/OCD/2025-26/005

Dated: 11.08.2025

Infrastructure and Planning Committee

The Committee is herewith constituted with the following members within an institution to plan, develop, maintain, and upgrade the institution's physical infrastructure — including buildings, laboratories, classrooms, utilities, and common facilities — in a manner that supports academic, research, and administrative functions.

The main functions of committee are:

- Assess current infrastructure needs based on academic, research, and administrative requirements.
- Plan short-term and long-term infrastructure projects in line with the institution's vision and growth plans.
- Ensure optimal utilization of existing facilities and resources.
